

If you want to own your own home, but don't think you can afford to, then we may be able to help. Read on for information about our schemes designed to help you get the home of your dreams.

## EASTWARD RISE

### Shared Ownership

Shared ownership helps you get on the property ladder if you aren't financially able to purchase 100% of a property on the open market.

#### Here's how it works...

- You will source your own mortgage and purchase one of our properties in shares.
- The minimum purchase share of a property is 25%.
- You will pay a rental figure of 2.75%\* of the remaining share that we own.
- You are able to buy bigger shares initially or you can buy more shares in the future. This is called 'staircasing'.

#### What you need to do

When you find a property you like:

- Contact a financial advisor to provide you with a provisional agreement in principle.
- Register with **[www.helptobuyagent2.org.uk](http://www.helptobuyagent2.org.uk)**.
- Visit our website at **[www.signaturenewhomes.co.uk](http://www.signaturenewhomes.co.uk)**, to view all of our available homes.
- We will then process your application in order to see if you are eligible to purchase a share in one of our new properties.

We also have resale properties available to view, please visit **[www.signaturenewhomes.co.uk](http://www.signaturenewhomes.co.uk)** and follow the find a home icon.
